Ingham County Disaster Recovery Center Opens on Thursday, July 22

To further help renters, homeowners and business owners who suffered loss or damage in the storms of May 20 – 24, federal and state officials have opened a Disaster Recovery Center in the town of Lansing. This temporary office is for individuals who **have already** applied for assistance under President Bush's June 30 disaster declaration for Michigan.*

It is not necessary to visit a Disaster Recovery Center. You can also get answers to your questions by calling the FEMA Hotline at 1-800-621-FEMA (3362) or TTY 1-800-462-7585 for the speech and hearing impaired.

Disaster experts at the Disaster Recovery Center can help you:

- Get answers to questions about your application
- Get help completing U.S. Small Business Administration disaster loan applications
- Learn about low-cost measures to reduce future damage
